Summer School 2018

Work..

Study..

Experience..

English..

Activity..

Summer school is full of exciting events this year too! The theme is Land, Sea, Sky & Mountain

As always, the program is designed according to individual level. The children will be able to learn about the world by learning about different countries, geography and history, animals and transport, plus science. Going around the world in 4 courses!

We hope you participate in this fun event!

The videos of all the courses will be uploaded on our very own Smile YouTube channel!

Please look forward to it ♪

A Course 7/23-7/27

Let's learn about the Land!

B Course 7/30-8/3

Let's learn about the Sea!

C Course 8/6-8/10

Let's learn about the Sky!

D Course 8/13-8/17

Let's learn about the Mountain!
