

Special Summer Class

Come immerse yourself in English and improve your conversation skills along with the Smile Club teachers! In the reading focused class we will read the books out loud with confidence and in the speaking focused class we will enjoy holding conversations in English ♪

<Eiken Jr. and ESL for young learners>

We will practice and revise Bronze, Silver & Gold Eiken. We will have vocabulary games and listening quiz. We will also support student that are weak in writing. The aim is to get to the next skill level.

<Reading & Speaking focused class>

It will be an output focused lesson. As it will be held in a small group, shy students can also participate comfortably. It is to help improve your skills during the summer time.

Eiken Jr. & ESL for young learners 3 years of age ~ Grade 3 elementary students

By utilizing past Eiken Jr. papers we will learn vocabulary, simple phrases and improve on listening. For students who can write their alphabets, there will be writing practice as well (ie., Diary). The ESL class for young learners will be held in a small group where they can immerse themselves in English. Come strengthen your foundation to 'Listen, Talk, Read, Write' before moving on to Eiken.

Reading Focused class 4 years of age ~ Grade 4 and above elementary students

The teacher will choose the books according to the child's level. By reading repeatedly and aloud, pronunciation and intonations are strengthened. Also by reading books you learn new vocabulary and by understanding the meaning in context, you improve your verbal expression. At the end of each lesson you read the books in front of the class and show your progress.

Speaking Focused class 4 years ~ Grade 4 & above elementary students

I'm good at writing but don't like to speak up.

By actively presenting opportunities to 'Listen' 'Speak' you can overcome your weakness.

The themes would be based on topics that the children would be familiar with and interested in and discussions will be made regarding the topic in form of conversation. At the end of each lesson we will videotape the student presenting their views. By replaying and checking the video together, will help identify problem areas and can find points for improvement.

>For those looking to utilize the bus service

Pick-up: Please consult us as priority is given to students participating in the Kids program.

Return: 5:30 p.m. bus service only (Will be available with 3 or more applicants)

In case of change in days, the bus cannot be utilized.

>**Make-up lessons and change in days:** Please inform a week in advance and it will only be changed if there is availability of spots. Repeated changes, absence without contact, make-ups in other classes and changes in class is not eligible.
